

LESSON #8 THE LAW OF FAITH

INTRODUCTION:

This lesson will review the essential principal of faith. We must understand that everything we receive from God, we receive by faith. So our ability to understand and live by faith is the key to not only our success in life, but our ability to please God. Faith is a law and must be applied to unlock the promises of God.

◆ Romans 3:27

A Law is defined as a rule or principal that must be obeyed, a general principal or rule that holds in all cases to which it is applicable. Laws must be obeyed. Violation of laws produces negative consequences.
